><p>He meditated one morning clearing his head of any stress. His wife was cleaning around the house.<p>

"Miwa," he said, " you shouldn't be cleaning. You should be in bed."

"Sasuke, it drives me insane to be in bed all day when there is so much to be done," she complained.

"Darling, the baby will come soon, but in the mean time you have to keep this beautiful flower safe."

"OK," she smiled. "For the baby."

"For the baby."

Suddenly, there was a sharp pain in her stomach.

"Miwa, what is the matter?"

"The baby...IT'S COMING!"

"Mags! Mag! Mags! It's time!" Sasuke screamed.

The old woman rushed over to Miwa and took her to their bedroom.

~Time Skip~

After 9 hours of labor and fortune telling of the baby's future, there she held a beautiful baby girl. She had bright green eyes, little fuzzy black hair, and beautiful tan skin.

"Darling, she is beautiful!" Sasuke said kissing his wife on the cheek.

"What shall we name her?"

He thought for a moment and looked at the child. He saw her bright green eyes glimmer in the sunlight and thought of the perfect name.

"How about...Akari?"

"Akari?"

"Yes, look at her eyes, they glimmer and so will she when she grows older."

"Yes, yes. I see."

"Welcome to the world, Akari," Sasuke said with pride.

2. Chapter 1 Taken

****Chapter 1: Taken****

~At age 4~

Akari and Goku played in the meadow by the big pond. It was a beautiful spring day. The warm sun and the wind blowing.

"Can't catch me Goku!" Akari teased.

"Bet I can!"

Akari and Goku were playing tag and didn't know that they were being spied on.

"You thought I would never find your precious flower huh Sasuke, but you are dead wrong," the man chuckled.

"Goku, wait!" she said stopping to a halt.

"What is it?"

"I have a feeling we are being watched," she said.

Goku looked at his surroundings and saw something in the trees.

"Akari, look!" Goku pointed to the tree.

"What is it?"

"I don't know, but we should probably go to your house."

"OK," she said as they both walked away.

The man spread his wings and flew towards the children. Goku looked behind him and saw that this _man _was heading towards them.

"Akari look out!" Goku said pushing her out of the way.

The man missed and circled around.

"RUN!" Akari yelled.

~At Akari's House~

Mags was in the living room looking into the future when Sasuke came in.

"Hello, Mags," he said.

"Sasuke, you have a problem."

"What do you mean?"

"I sense danger."

"Don't be a fool!"

"No, Sasuke, _you _are the fool! You should of let Akari discover her powers so she could be trained and protect herself for dangers I sense!"

"What danger?"

"The man of black wings comes for your daughter for revenge."

"Kadeem," he said to himself.

Sasuke ran out the door into the woods where he saw the kids running in fear.

"Akari! Goku! Over here!"

The kids ran towards him, but the man grabbed Akari and took off.

"Akari!" Sasuke called.

"Daddy! Help me!" she screamed.

Sasuke grabbed an ax and threw it at the man and hit his wing.

"Son of a bitch!" he screamed in pain.

Goku climbed the tree and jumped on the man's back.

"Let...my best friend...go!" Goku struggled to free Akari.

"Goku! Help me!"

The man punched Goku off and flew away into the day.

"Goku! Daddy! Help me!"

"Akari!" Sasuke ran to keep up with his only daughter.

"Akari, we're coming!" Goku called.

But she was gone.

"No, Akari!" Sasuke yelled.

"I'm sorry Mr. Chen. I tried my best," Goku apologized.

"It's not your fault, Goku. You tried your best."

"What are we going to do now?"

"Find her."

Back at the house Sasuke broke the news to his wife and soothsayer.

Miwa began to cry at the news, "My baby! Why my sweet little baby!?"

"I told you, Sasuke."

"I know. I'm sorry Mags. Do you know where she is?"

"Do I look like a GPS? I do not know."

Later that day, Goku looked out his window and vowed that he won't stop searching for her.

"I promise Akari, I will find you even if it takes me a million year. Even if it kills me! I will find you no matter what because I...I...I love you."

Goku went to sleep and dreamed of the nightmares of today.

3. Chapter 2: Is It You?

Chapter 2: Is It You?

~A few years later~

Goku walked the streets of the city. He decided to stop for a little break at the cafe. He sat at a table near the stage where a girl with midnight hair came up onto the stage and sat at the piano.

She spoke into the mic, "Hi everyone. This song is about what it like for me when I was a little girl when I was kidnapped. Hope you all like it."

**Shed Some Light on Me**

(Plays piano)

_*In the meadow
>where we used to play
the memories of how we lost our way
>In a flash you were gone and
Darkness all around me_

(Violin plays w/ piano)

_I've waited so long for you
>to rescue me
So forgive me if I seem so
>distant than I was before
Just promise me you won't leave me
again_

_I've been away from home too long so come
>and bring me home
Bring me towards the light
>I'm tired of only seeing darkness
Come shed some light on
me_

(Cello plays w/ piano and violin)

_I've been scared and alone
>I was in the hands of a stranger
Who only was seeking revenge

>I broke free and again was thinking about you

_I've been away from home too long so come
>and bring me home
Bring me towards the light
>I'm tired of only seeing darkness
Come shed some light on
me_

Oh, oh, oh, oh

Ah, ah, ah, ah

Oh, oh, oh, oh (Ah, ah, ah, ah)

Ah, ah, ah, ah (Oh, oh, oh, oh)

_Everytime I close my eyes
>All I see is your face! (Ah, ah, ah)
I can't get you out of my
mind!
>You keep haunting me (Oh, oh, oh)
In my dreams, I dream that we
never
>apart from each other

_I've been away from home too long so come
>and bring me home
Bring me towards the light
>I'm tired of only seeing darkness
Come shed some light on
me_

(Cello and violin die)

_I wish we could be at the meadow
>where we belong
I've been searching and never gave up on you
>Because you are my one best friend*

There was a round of applause and Goku knew who she was. As she got off the stage, Goku walked over to her and spoke, "Akari?"

She turned around and gasped in realization, "Goku? Is it truly you?"

"Yep," Goku laughed.

She hugged him, "I missed you."

"I missed you too. Great song."

"You really think so?"

"Yep!" Goku smiled.

"Thanks. So why are you here?"

"I should be asking you that. How come you didn't come home?"

"I don't know. I guess because that was where Kadeem would search if I ran away there."

"Oh...um...Akari you don't mind if we...you know hung out...like we use to?"

"Sure, I can't turn down a day with you."

Goku gave Akari a huge smile making her smile back.
